

Valley Congregational Christian Church of Oliver and Osoyoos (in the South Okanagan, BC) is seeking a part-time Pastor for four days per week.

Our congregation seeks a pastor who will deliver relevant biblical teaching and provide for a blended worship experience that is uplifting and inspirational. Being community minded, it is important that we participate with other churches in our community in joint projects and ventures whenever possible.

Our church has a strong desire to grow through outreach, Bible studies, and fellowship. We also long for a pastor who will provide strong pastoral support to our elderly, including home and facility visiting.

In a separate cover letter, please tell us about your philosophy of ministry and any related experience that would make you an ideal candidate for our church. Please send a resume, all academic credentials, and copies of any current denominational credentials you hold to praises@valleycongregationalchurch.com.

All candidates must be able to obtain credentials with the Congregational Christian Churches in Canada before the commencement of employment.

For more information about our church please see www.valleycongregationalchurch.com.

Application deadline is February 28, 2025. Only candidates from North America will be considered; and only those candidates progressing to a final short list will be contacted.
